Notice regarding manufacturing and sales business

We are pleased to inform you that we have decided to start a new manufacturing and sales business as follows.

1. Purpose of starting business

In January 2011, we accepted the general bid proposal from the bankruptcy trustee of the bankruptcy company Kimura Medical Instruments Co., Ltd. for the succession of medical device manufacturing and sales approval, and we made a successful bid for a considerable amount, leading to the final settlement. , received a permit decision from the Tokyo District Court as an authorized owner. Here, regarding the manufacturing and sales business that we have been preparing for a long time, we are pleased to inform you that we are ready to start the business.

2. Overview of newly manufactured and sold products

Kimura Medical Instruments Co., Ltd. We have received enthusiastic requests from users and dealers for the animal-only ventilator "Minivent-3a (Pebreath)", which has been out of supply since the suspension of operations. In response to the above request, we would like to inform you that we will start manufacturing and selling the ventilator Minivent-3a (Pebreath) as a new product of Cross Medical Service Co., Ltd. as the first step.

Overview of Mini Vent-3a (Pebreath)

Brand name: Mini Vent-3a

Veterinary medical device manufacturing

and marketing approval number: 18 No. 6130

Fixed price setting: We have reduced the price by 10% or more compared to the conventional fixed price.

Please refer to the catalog, package insert, sales information leaflet, etc. for details such as specifications, performance, and features.

3. Future outlook

We are currently manufacturing and selling the Animal Anesthesia Machine Compact-15, and preparing to import and sell disposable breathing circuits (for anesthesia and breathing),

and we plan to announce the start of sales soon.

We will also start selling the latest Penlon anesthesia system and developing our own new anesthesia machine and respirator.

We will make further efforts to provide higher quality products,
and we ask for your continued guidance and encouragement from Shinsei Cross Medical Service Co., Ltd.
